### **ISee3D Inc. Announces Graduation to TSX Venture Exchange**

**Montreal, QC, Canada – November 10, 2008** – ISee3D Inc. ("ISee3D") (NEX: ICT.H / TSX-V: ICT) today announced that the TSX Venture Exchange has granted approval for ISee3D's application to graduate from the NEX, to the TSX Venture Exchange. ISee3D's shares will commence trading on Tier 2 of the TSX Venture Exchange under the symbol "ICT" on Tuesday, November 11, 2008. The Company is a reporting issuer in Alberta, British Columbia, Ontario and Quebec.

Dwight Romanica, President of ISee3D Inc., commented that "this reactivation onto the TSX Venture Exchange represents a significant milestone in the Company's recent developments in that it has re-established the listing requirements of the TSX Venture Exchange, as the Company focuses its efforts onto the global commercialization of its proprietary 3D technology, in an industry that has come of age."

ISee3D Inc. owns several broad reaching patents, which are fundamental to providing a unique and cost effective means for the capture of broadcast quality stereoscopic (3D) images through a single lens. The Company's technology has broad application in a great number of markets including the home entertainment industry, consumer electronics, and imaging devices, including microscopes, endoscopes and sophisticated medical imaging systems.

Statements included in this announcement, including statements concerning our plans, intentions and expectations, which are not historical in nature are intended to be, and are hereby identified as, "forward-looking statements" for purposes of the safe harbor provided by Section 21E of the Securities Exchange Act of 1934, as amended by the Private Securities Litigation Reform Act of 1995. Forward-looking statements may be identified by words including "anticipates", "believes", "intends", "estimates", "expects" and similar expressions. The company cautions readers that forward-looking statements, including without limitation those relating to the company's future operations and business prospects, are subject to certain risks and uncertainties that could cause actual results to differ materially from those indicated in the forward-looking statements.
